EDUCATION

- **Ain Shams University**
Bachelor of Computer & Information Science. GPA 3.0

Cairo, Egypt
September 2020 - June 2024

PROJECTS

- **Forever Ecommerce** [Github](#)
E-commerce Web App *React.js, Tailwind*
 - Developed a user-friendly e-commerce platform using **React.js**, leveraging functional components and **React Hooks** for enhanced code organization and reusability. Implemented a dynamic product browsing experience with smooth navigation and filtering capabilities, utilizing **React Router** for intuitive routing.
 - Enhanced the platform's visual appeal and responsiveness by employing **Tailwind CSS**, resulting in a seamless user experience across multiple devices.
- **Tomato** [Github](#)
Food Ecommerce *React.js, Tailwind*
 - Developed a responsive food restaurant website using **React.js** featuring interactive menu and dynamic category filtering for an engaging user experience across devices.
 - Implemented **state management** using React Context API or a similar solution to handle dynamic data like cart items, user authentication, and product information efficiently.
- **Portfolio** [Github](#)
Experience Showcase *React.js, CSS*
 - Developed a responsive portfolio website using **React.js** and custom CSS to showcase skills, projects, and contact information.
 - Implemented responsive design using CSS, ensuring an intuitive user experience across various devices.
- **Dashboard** [Github](#)
Admin Panel *React.js, Tailwind, Framer*
 - Developed an admin dashboard application using **React.js**, incorporating **Framer Motion** for enhanced UI transitions and animations, and **Tailwind CSS** for styling.
 - Integrated **Recharts** library to visualize data effectively through interactive charts and graphs within the dashboard interface.
 - Leveraged **Lucide React** for visually appealing icons, enhancing the user interface and overall user experience.

SKILLS

- **Languages:**
JavaScript (ES6+), TypeScript, SQL, C++, Java
- **Frameworks & Libraries:**
React.js, Next.js, Redux/Redux Toolkit, Bootstrap 5, Tailwind CSS, jQuery
- **Web Development:**
HTML, CSS, SASS, RESTful APIs, SEO, Git
- **Software Engineering:**
Object-Oriented Programming (OOP), Agile Methodologies
- **Soft Skills:**
Team Work, Communication, Problem Solving, Time Management, Attention to Details
